Dear all,

Wansbeck Works! Would like to send their thanks for all the hard work and effort that the participating organisations attending the Health Event on Friday 29th February 2008 that made it such a success. There was an excellent response and feedback from the residents to say that they had a good day and would like to see more of this type of work in Bedlington. We look forward to contacting you in the near future to discuss more of our upcoming events.

For any more Information please do not hesitate to contact me on 01670 524236

From,

Andrew Mather
